Summary

Third-year Computer Science student with a strong interest in Artificial Intelligence and Web Development. Passionate about building practical and innovative solutions, I enjoy turning ideas into functional applications and exploring the intersection of AI, data, and user-focused systems. Curious and self-motivated, I continuously seek opportunities to improve my technical skills in programming, AI, and full-stack development through hands-on projects and collaborative work.

Education

University of Science and Technology Houari Boumediene

2025–2026

Licence 3 Informatique (Computer Science Bachelor)

Experience

Hybrid office

12/2024-now

Software Engineer

I worked at Hybrid Office, where I contributed to the development and improvement of various web solutions while gaining insight into the team's workflow and professional work methods.

Skills: Next.js, Nest.js, TailwindCSS

Hackathons

2023–2025

Participant / Winner

Participated in several national hackathons, collaborating with teams to design and prototype innovative tech solutions under time constraints. Achieved first place at the Decode Hack competition with a project that combined interactive mapping and AI-driven investigation tools. This experience strengthened my ability to innovate quickly, work under pressure, and lead project development.

Hackathons: Boumerdes Smart City, Hackiwha, **Decode Hack (1st Place)**

Technical Skills

- **Languages:** Python, Java, C, JavaScript
- **Frontend:** Html, Css , React.js, Next.js, tailwind, BootStrap
- **Backend:** Node.js, express, FastAPI , Nest.js
- **DataBases:** MongoDb, SQL lite, postgress
- **AI/LLM Tools:** LangChain,

Projects

- **Carpooling Application (Java)** – University project using OOP, UML class diagrams, and Java classes (Administration, Utilisateur, Itinéraire, etc.) to model a full carpooling system.
- **Library Management System (C)** – Stacks and queues [GitHub](#)
- **To-Do-List (C)** – List [GitHub](#)
- **Portfolio** –[GitHub](#)

Professional Skills

- Leadership · Organization · Teamwork
- Presentation · Adaptability · Communication
- **Languages:** French, English, Arabe
